December 17, 2012

Dear {FIRST\_NAME|New Music Lover},

A warm holiday greetings from all of us at Earplay! We just had a joyous guest appearance in Melody of China's recent concert at Old First Church, where both ensembles played in Joan Huang's *Along the River during the Qingming Festival*. After putting in so much work on the world premiere earlier this year, it was a delight to be able to perform this wonderful piece again and Old First Church was filled with a large and enthusiastic audience.

As promised, we're announcing that tickets and subscriptions for Earplay's first season at the ODC Theater are now available for purchase! Single tickets can be purchased online by clicking the ticket button at [www.earplay.org](http://www.earplay.org) or at [www.odcdance.org/buytickets](http://www.odcdance.org/buytickets): \$20 for general admission and \$10 for students. For the highly efficient new-music lovers among us, **a season's pass to all 3 concerts can be purchased for only \$50**, please call the ODC box office at 415.863.9834 (Wed-Fri, 12-6 pm) to get this special package for all three wonderful concerts! Don't forget that **tickets to Earplay** are the **perfect gift** for the new-music lovers on your list.

During this season of giving, **Earplay gives thanks for your generous past support** and asks that you **help us continue to "keep the new music coming"**. Ticket sales cover a small fraction of the cost to produce the excellent concerts you've come to expect and your generosity makes up the difference. Your tax deductible contribution is very much appreciated! For your convenience, you can click on the **Donate** button on our website, [www.earplay.org](http://www.earplay.org), or send your check to

**Earplay**  
560 29<sup>th</sup> Street  
San Francisco, CA 94131-2239.

We can't do it without you! Best wishes for a Merry Christmas and a wonderful New Year, we can't wait to see you on **February 4<sup>th</sup>** for **Earplay's first concert at ODC!**

Warmest regards,

Mary Chun  
*Conductor of Earplay*
